SEAPORT SUIT

1MHE

EN 343

BUOYANCY 74N

EN ISO 12402

The Seaport suit is ideal for general utility use by deck hands, boat crew and fishermen. Also ideal for port and dock workers where high-visibility features are important.

KEY FEATURES

- High-visibility sleeves and shoulders, collar and hood for optimum conspicuousness
- Main body colour of black combats stains and soiling
- Retro-Reflective tape on the wrist straps also enhances visibility
- Air escape holes on the back to alleviate trapped air
- ID pocket on left upper arm
- Fully waterproof outer fabric + taped seams
- Retro-reflective tape on hood and chest
- High-visibility yellow adjustable insulated peaked hood, with built-in chin and face protection stored into collar
- Storm flap
- 8 pockets: 2 chest pockets with zips with marine grade whistle, 2 lower hip pockets with fleece hand warmer and zip closure, 2 leg pockets and 1 inner pocket, 1 ID pocket
- Elasticated back
- Leg zips for ease of donning over boots
- Anti-flushing straps to arms & legs
- Inner adjustable neoprene wrist seals
